The app was an incredibly useful reference for new words, Latin phrases, abbreviations, and important documents. Libraries, students, historians, and practitioners will all benefit from this historically significant research tool. It's not sure if this was intended, as though perhaps we need slightly more focus when looking up a legal term and therefore the volume should be lowered? Today, it's the most widely cited law book in the world. First Edition First Printing DATE PUBLISHED: 1891 EDATION: FIRST ED. 1253. General content updates and bug fixes. So what has here is: simple enough, a digital version of the already useless Black Law Difference. The content is great and I feel that the application is well designed. Originally published: St. Paul, Minn., West Publishing, 1910. Most reading-oriented applications (Kindle, Nook, iBooks) have long included this feature. The number of physical pages for definitions, although they are not necessary, they would be extremely useful for quotation. An extremely crucial piece of information that is omitted from the Black's Law Dictionary product line as a whole, but that could have been easily implemented here is: that Black's volume a given definition is going to be. The application does not synchronize markers and history through devices. Search Preferences Offered by 33 Terminal Ave. If this were corrected, the reading experience would be much higher. Reprinted in 1991, 2013 by Lawbook Exchange, Ltd. Other than that, it is a wonderful application and I highly recommend it. For more information, see the developer's privacy policy. The application icon is atrocious. Ninth edition. Legal definitions. Hard brown. Frog "original golden leather title applied to column. It contains more than 50,000 terms, including more than 16,000 new definitions. All said and done, you have an application of almost five stars that are missing some features: unfortunately, most of them are quite serious serious carelessness for a professional, especially considering that this application comes with a \$ 5 price label. A & F. The application does not have absolutely no ability to adjust the brightness in the application.
