# How to solve facebook report problem

We don't typically respond to feedback emails, but we're reviewing them.

Feedback Terms (see section 2.5).

## How to report facebook problem.

2. 2. Scroll and tap on **help** and **support**. Facebook Has provided a section where you can report a problem and alert Facebook of your challenge and in turn, Facebook helps you fix these problems for a better experience and better services, thanks to Facebook. Maybe you're trying to access on a location where Facebook is blocked. This was really helpful because he got positive results at the end. I once had an encounter with someone that had an issue with some of his Facebook features, he was confused and did not know how to go about it, I simply advised him to report to Facebook so that they can technically fix the issue, his major problem was that his Facebook features were lagging and at some point were not responding. Talking about inappropriate things, this may include nudity, hate speech, threats, abusive language, or perhaps you just want to give a general feedback. 4 Provide supporting data. If you have Selected **general feedback**, select a product or feature and write your feedback below. Click the "Log in" button to proceed. The login fields are found on the upper right corner of the page. Use "General Feedback" for general comments or notes for Facebook. This article has been viewed 22,236 times. Tap the utility icon (represented by three horizontal lines). Click on the link for your choice. Quite easy isn't it? Use "Something isn't Working" if there's a bug or issue with a Facebook feature or functionality. Tap on your choice. Do this by clicking the down arrow on the rightmost part of the page header. By this time, you are sure to have reported whatever problems you want to on Facebook. If you have selected **something isn't working**, select where the problem is and briefly explain what happened and what you want to be done to reproduce the problem. Here is the good news, Facebook can help fix these problems or even review their policies, but first you have to report these problems and if you're a **business** or **organization**, you can also report a problem. Facebook has many categories, **Marketing & Ad**.

1. **Corporate Office** 2. **Marketing Agency** 3. **Advertising/Marketing** 4. **Advertising Agency**

The first category is used to report a problem on Facebook.

Business categories

Corporate Office
